Hello,

The 57th annual Missouri Conference on History, hosted by the University of Missouri–St. Louis Department of History, will be held March 11–13, 2015, at the DoubleTree Hilton and Conference Center in Chesterfield, Missouri, in conjunction with the Midwest regional meeting of Phi Alpha Theta, hosted by Park University’s Zeta Omicron chapter.

We invite paper, panel, and student poster proposals on all aspects of Missouri/Midwestern, American, European, and non-Western history, as well as public history and historic preservation. The conference is particularly interested in proposals for complete sessions, including panelists, chair, and commentator. Proposals should include:

- **Papers** – 100- to 200-word abstract and a brief curriculum vitae
- **Panels** – brief abstract, short descriptions of the individual papers, and brief CVs for all participants
- **Posters** – short abstract

Please submit all proposals by email no later than November 15, 2014, to Louis S. Gerteis, University of Missouri-St. Louis, at gerteis@umsl.edu.

Please also consider nominations you may wish to make for the Missouri Conference on History Book Award and the Lawrence O. Christensen Article Award. The deadline for receipt of nominations is December 31, 2014. These details may also be sent to gerteis@umsl.edu.

Although the conference typically hosts academics of all levels, the program committee would like to make a special appeal to graduate students. The friendly and inviting atmosphere provides an excellent opportunity for aspiring and young historians to present their work.

We look forward to considering your proposals and seeing you in March!

Sincerely,

Louis S. Gerteis  
*President, 2014-2015 Steering Committee*

Missouri Conference on History  
Hosted by the University of Missouri-St. Louis Department of History
